

Part 1: Identifying Areas of Interest

1. Which of the following general topics do you enjoy or feel drawn to?

(Select as many as you like or skip if unsure)

- a) Technology (e.g., gadgets, coding, AI)
- b) Arts and Literature (e.g., painting, writing, music)
- c) Science and Engineering (e.g., physics, engineering, biology)
- d) Business and Finance (e.g., entrepreneurship, stocks, marketing)
- e) Social Sciences (e.g., psychology, history, sociology)
- f) Health and Wellness (e.g., fitness, mental health, nutrition)
- g) Other (Specify)
- h) I'm not sure

If "I'm not sure" is selected:

2. Which of these do you spend most of your free time on?

- a) Using or exploring new technology
- b) Reading or consuming arts and literature
- c) Watching science documentaries or engaging in experiments
- d) Following the stock market or business news
- e) Reading about social issues or history
- f) Exercising, eating healthy, or learning about wellness
- g) None of the above

If "None of the above" is selected:

3. What do you usually do in your free time?

(Open-ended question to capture any unique interests)

Part 2: Exploring Specific Areas of Interest

If the user selects specific interests = Technology:

2. Within Technology, what specifically interests you?

- a) Programming/Coding
- b) Emerging Technologies (e.g., AI, Blockchain)
- c) Gadgets/Consumer Electronics
- d) Cybersecurity

- e) Tech News/Trends
- f) I'm not sure

If "I'm not sure" is selected:

- **3. Would you like to explore more about:**
 - a) How technology is evolving?
 - b) Learning to code?
 - c) How technology affects everyday life?
 - d) How to protect your privacy online?

If the user selects specific interests = Arts and Literature

2. Within Arts and Literature, what specifically interests you?

- a) Visual Arts (e.g., painting, sculpture)
- b) Writing and Literature (e.g., fiction, poetry)
- c) Music (e.g., playing instruments, composing)
- d) Performing Arts (e.g., theater, dance)
- e) Art History and Criticism
- f) I'm not sure

If "I'm not sure" is selected:

- 3. Would you like to explore more about:**
 - a) Creating your own art or writing?
 - b) Understanding the history and evolution of art or literature?
 - c) How art and literature influence culture and society?
 - d) Learning to appreciate different forms of music and performance?

If the user selects specific interests = Science and Engineering:

2. Within Science and Engineering, what specifically interests you?

- a) Physics and Astronomy
- b) Chemistry and Materials Science
- c) Biology and Life Sciences
- d) Engineering and Robotics

- e) Environmental Science
- f) I'm not sure

If "I'm not sure" is selected:

3. Would you like to explore more about:

- a) Understanding the fundamental principles of science?
- b) How scientific discoveries impact everyday life?
- c) Learning about the latest innovations in engineering?
- d) Exploring the relationship between technology and the environment?

If the user selects specific interests = Business and Finance

2. Within Business and Finance, what specifically interests you?

- a) Entrepreneurship and Startups
- b) Investing and Stock Markets
- c) Marketing and Branding
- d) Economics and Economic Policy
- e) Corporate Management and Leadership
- f) I'm not sure

If "I'm not sure" is selected:

3. Would you like to explore more about:

- a) Starting and running a business?
- b) How to manage personal finances and investments?
- c) Understanding economic trends and policies?
- d) The impact of marketing on consumer behavior?

If the user selects specific interests = Social Sciences

2. Within Social Sciences, what specifically interests you?

- a) Psychology and Human Behavior
- b) Sociology and Social Issues
- c) History and Cultural Studies
- d) Political Science and Governance
- e) Anthropology and Human Evolution
- f) I'm not sure

If "I'm not sure" is selected:

3. Would you like to explore more about:

- a) Understanding why people behave the way they do?
- b) The history and development of societies?
- c) How political systems shape societies?
- d) The impact of culture on human development?

If the user selects specific interests = Health and Wellness

2. Within Health and Wellness, what specifically interests you?

- a) Physical Fitness and Exercise
- b) Nutrition and Diet
- c) Mental Health and Well-being
- d) Preventive Health and Lifestyle Medicine
- e) Alternative and Holistic Medicine
- f) I'm not sure

If "I'm not sure" is selected:

3. Would you like to explore more about:

- a) How to maintain a healthy lifestyle?
- b) The connection between diet and overall health?
- c) Understanding mental health and coping strategies?
- d) The benefits of alternative medicine practices?

Part 3: Determining Expertise Levels

4. Would you prefer resources that are:

- a) Beginner-friendly
- b) Intermediate
- c) Advanced
- d) I'm not sure

If "I'm not sure" is selected:

5. How often do you engage with this interest?

- a) Daily
- b) Weekly
- c) Occasionally
- d) Rarely
- e) Never

Aptitude Test:

6. How comfortable do you feel when discussing or reading about [chosen topic]?

- a) Very comfortable—I can easily follow and contribute to conversations.
- b) Somewhat comfortable—I understand most of the content but sometimes need clarification.
- c) Not very comfortable—I often need help to grasp the concepts.
- d) Uncomfortable—I usually avoid discussing or reading about it.

7. How often do you seek out information or updates related to [chosen topic]?

- a) Regularly—I keep up with the latest news and developments.
- b) Occasionally—I check in on it when something catches my attention.
- c) Rarely—I only look into it if it's necessary or someone else brings it up.
- d) Never—I don't actively seek out information on this topic.

8. When you encounter a problem or challenge related to [chosen topic], how do you typically respond?

- a) I can usually solve it on my own or with minimal help.
- b) I try to solve it but often need guidance or resources.
- c) I rely heavily on others for help or need detailed instructions.
- d) I avoid dealing with it if possible.

9. If you were asked to explain a concept within [chosen topic] to someone else, how confident would you feel?

- a) Very confident—I could explain it clearly and accurately.
- b) Somewhat confident—I could explain it, but might struggle with details.

- c) Not very confident—I would need to review or look up information first.
- d) Not confident at all—I wouldn't know where to start.

10. Have you ever completed any projects, assignments, or activities related to [chosen topic]?

- a) Yes, and they were successful.
- b) Yes, but I needed help or didn't finish.
- c) I've started but never completed any.
- d) No, I've never attempted any.

Interpreting the Responses(Q5-Q10)

- **Advanced Level:** If the user consistently selects "a" responses, they likely have an advanced understanding of the topic.
- **Intermediate Level:** If the user selects "b" responses, they likely have an intermediate level of knowledge, with some gaps.
- **Beginner Level:** If the user selects "c" responses, they likely have a beginner level of understanding and may need foundational resources.
- **New to the Topic:** If the user selects "d" responses, they may be new to the topic and could benefit from introductory materials.
